**Task 3:** Reactivate Accounts at *Midwest Bank-MN* on or after **September 12, 2016**

1. Download your Quicken Web Connect file from [www.midwestbank.net](http://www.midwestbank.net).

**IMPORTANT:** Take note of the date you last had a successful connection in your Quicken account. If you have overlapping dates in the Web Connect download, you may end up with duplicate transactions.

2. Click **File > File Import > Web Connect File**. Locate and select the Web Connect file to import.
3. **Import Downloaded Transactions** window opens: Select **Link to an existing account** and choose the matching account in the drop-down menu. Associate the imported transactions to the correct account listed in Quicken.

**IMPORTANT:** Do **NOT** select **Create a new account** unless you intend to add a new account to Quicken. If you are presented with accounts you do not want to track in this data file, select **Ignore – Don't Download into Quicken** or click the **Cancel** button.

4. Repeat steps for each account you wish to reactivate in Quicken.

*Thank you for making these important changes!*
